HOMEWORK **Name: _____ Date: _____**

Dear Parent,
Your child is learning how letters can make different sounds. These words have the letter 'a' which makes a sound like 'or'. Please help by practising these words with your child.

- Point out how the sound is made and the rule.
- Point out the rhyming words and try to think of others that rhyme.
- Discuss the meaning of the words and try to think of a sentence containing the word.

Let your child copy each word twice, then see if they can write it without copying. Use the final column to correct any mistakes or to test each group of words. Thank you for your help.
