Make sure you pick up a '50 things to do before you're 11 and ¾' booklet and see which activities you can tick off your list. Baddesley is a great place to fly a kite on the estate, make a den in the woodland or go bird watching from our bird screen.

**Light Drawing** is long exposure **photography**, where you draw in the air with light! How cool! Use the colours of the rainbow to make your own special digital art. You draw in the air; we'll capture it on camera on a picture and give you a print to take home.

Try our touches or use our big rainbow maker to make your special light drawing. Great **fun** to do on your own, but looks even better if you work with family, friends and carers. How many rainbows can you make?

3. **FREE Rainbow Stories** **FREE**

**Tuesday 20<sup>th</sup> February 11 am and 2pm**

**Wednesday 21<sup>st</sup> February 11am and 2 pm**
